

Our award for Principal Member of the year goes to someone who is deeply engaged with BOMA Greater Charlotte and has been tireless in her efforts on behalf of the Charlotte real estate community. As Secretary/Treasurer during Charlotte's hosting of the BOMA Southern Regional Conference, President-Elect in 2016, and over the last two years serving as City Executive and Chair of the Programs committee, she has truly contributed to the success of our organization and in particular the success of this great Annual Meeting in Charleston. Please join me in recognizing and congratulating **Suzanne Bereis** with Grubb Properties as BOMA Greater Charlotte's Principal Member of the Year.
