

Allied Membership Renewal Policy

BOMA Greater Charlotte encourages engagement from all members for the purpose of enhancing the overall member experience. It has been widely proven that members who are actively involved in professional organizations receive the most benefits and a greater return on investment through professional development and a strong network. Active participation contributes to the overall success of BOMA Greater Charlotte and will help you receive the greatest value from your membership.

We are fortunate that BOMA Greater Charlotte memberships are in high demand and we currently have a waitlist for Allied members wishing to join. In an effort to grow our association while maintaining the desired balance between Principal and Allied members (50/50), we desire all members to be active and committed to BOMA Greater Charlotte. As such, effective 2018, Allied members must satisfy these requirements to be eligible for membership renewal.

1. Personally attend at least 50% of BOMA sponsored functions. The events this year include but are not limited to: Four Luncheons, Speed Networking Event, Top Golf Tournament, Charlotte Knights Game, Clay Shoot, Annual Members Meeting, Holiday Party and Community Service Opportunities.
2. Bring two eligible Principal member candidates to a BOMA function and/or refer a new Principal member for application. This includes Owners, Property Managers, Assistant Property Managers and Building Engineers. Sign in these visitors as your guests at the event registration table.
3. Provide financial support for BOMA Greater Charlotte as an annual sponsor of the association or a sponsor for at least one of the signature events throughout the year.
